REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The James Island Charter High School is beginning its eleventh year of operation as a charter school. The staff continues to strive to provide academically challenging instructional programs that meet the needs of our diverse student population. We continue to operate a safe and nurturing environment for the intellectual, social, and physical development of our students. The programs offered at JICHHS are academically challenging and are designed for our ever-changing student population. The teaching staff of JICHHS is all certified and highly qualified.

Our charter status has allowed us to expand our curriculum and staffing to become a truly comprehensive high school. The JICHHS Board of Directors has authorized innovative programs such as the "We Care Alternative Program", the International Baccalaureate Program, SAT preparation courses for Juniors and Seniors, and a successful Industrial Technology classroom. JICHHS is a fully-accredited school through The Southern Association of Colleges and Schools (SACS) and the SC State Department of Education.

The faculty and staff recognize the wide range of student interests, abilities, and aptitudes and provide a meaningful educational experience for all students. JICHHS is a community within itself that offers personal growth opportunities for students, faculty, and community alike. We look forward to the continued support of the James Island Community and in sustaining a close working relationship with the community it happily serves.

Robert E. Bohnstengel, Ph.D., Principal
Paul Schwartz, President, JICHHS Board of Directors
